## TOURNAMENTS

**GREENSKEEPERS:** A fun net best-ball tournament with our greenskeepers. Foursomes determined by the committee.

**MEMBER/GUEST:** Game, luncheon and prizes with our invited guests from other golf clubs.

**CROOKED CREEK TOURNAMENT:** This is a TEAM Match Play NET better ball tournament. 2 Teams, partners, and opponents will be determined by the chair using handicap information. Total net points for teams after 2 days will determine the winners.

**CAPTAIN'S CUP & PUTTING:** This tournament will have one (1) gross winner and one (1) net winner on each of four (4) qualifying days. A player may win only ONE of the eight legs of the Cup. Gross takes precedent over net. The next lowest gross or net wins the qualifying round if there is a repeat winner. Ties will be decided by matching scorecards according to USGA Rule #33-6 Appendix 1 (See Ties). The 4 gross and 4 net winners will play separately for the gross and net Captain's Cup. The putting winner will have the lowest combined total on three (3) of the four (4) qualifying days. Players must be listed on the play of the day sheet to be eligible. Post as a TOURNAMENT SCORE on the final day only.

**CLUB CHAMPIONSHIP:** To be eligible to play in the Club Championship, all participants shall play five (5) current year's Ladies play days. Home members may substitute any of one (1) Sweeps or Numerica Cup in the current year. A Thursday Sweeps counts as a Ladies Play Day for Home members. Associate members may substitute one (1) Thursday Sweeps event in the current year.

The Club Championship will be a combination of stroke and match play held on a Thursday-Monday-Thursday in August as scheduling allows. Players will be assigned to flights divided as evenly as possible. Day 1 and Day 2 will be stroke play. At the conclusion of Day 2, the two (2) players with the lowest total scores will compete in Match Play for the Club Championship and Runner-up. The remaining two lowest scoring players in each flight will compete in Match Play for First and Second in their respective flights. All remaining players will compete in Match Play in their respective flights.

Post all 3 days as Tournament Scores

**TIES:** All ties in the Captain's Cup Tournament will be decided by matching score cards according to USGA Rule #33-6, Appendix 1. An acceptable method of matching cards is to determine the winner on the basis of the best score for the last nine holes. If the tying players have the same score for the last nine, determine the winner on the basis of the last six holes, last three holes and finally the 18<sup>th</sup> hole.  $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{6}$ , &  $\frac{1}{18}$ <sup>th</sup> of the handicaps should be deducted. In all calculations a fraction of  $\frac{1}{2}$  or more shall count as a full stroke. Any other fraction shall be disregarded. If players are still tied, the same procedure will be followed using the front nine scores. If players are still tied, the tie shall then stand.
